

# INVITATION

Deputy Representative of the Australian Office  
Commercial Section in Taipei  
Ms Eliza Chui cordially invites you to attend

## Fast Tracking Lifesciences Product R&D Process – Australian Clinical Trials Capability Forum

For over three decades, pharmaceutical, biotechnology and medical device companies from around the world have relied on the ability of Australian clinical trial sites to deliver timely results, whilst meeting the highest quality and ethical standards.

This forum will assist your company to understand the advantages in collaborating with Australia in your drug and device development process for regional and global markets, with a focus on Australia's clinical trials efficient regulatory system and generous R&D Tax incentives.
