

## Company Description

The Council of Agriculture is the competent authority on the agricultural, forestry, fishery, animal husbandry and food affairs in Taiwan. Its responsibilities include guiding and supervising provincial and municipal offices in these areas. It is committed to promoting the diversified value of agriculture, ensuring food security, preserving agro-ecological environment and cultural landscape, and creating a competitive LOHAS agriculture. The COA is leading the policies toward expediting agricultural structure adjustment, promoting ago-business management, boosting agricultural industry internationalization, activating agricultural resources, in order to ensure the sustainable development of agriculture in Taiwan.
